Goal

Currently, my main goal is to enter the field of technology, for now, I have comprehensive knowledge in fullstack development, data extraction and Cloud computing (AWS).

Experience

Heineken, 02/2020 - 11/2021

Assistant administrative

A remarkable experience in a multinational, where I learned to use SAP and Microsoft 365 tools, worked with KPI metrics, completed audits of management methodologies, created spreadsheets from scratch with formulas and used my creativity to solve problems.
